

A Message from Marina

April 2019

Dear Neighbor,

Spring is here! I hope to see you at the South Shore Terrace Grand Opening on April 10th at 4:00 pm for free beer! Our Milwaukee County Golf Courses are now open and Easter activities are right around the corner—all sure signs that spring has arrived.

Just this week I joined Milwaukee Mayor Tom Barrett and Common Council members as our new city-county partnership to provide 100 douglas to expecting mothers in Milwaukee Zip code 53206 was signed into law. I can't wait for our city to be known as the home of the healthiest babies and strongest families in the nation.

Check out the details on bus rides to Milwaukee Brewers games and special exhibits at our Milwaukee County Domes and the Art Museum. I can't wait to see you out and about with the nice weather in our neighborhood! Only a few more months till the Farmers' Market!

Marina D.

Milwaukee County Updates

Supervisor Dimitrijevic Forges City-County Partnership to Improve Healthcare for Moms, Babies

Supervisor Dimitrijevic has proposed to allocate \$52,000 to fund 100 doulas to improve birth and maternal health in a pilot set in the 53206 Zip code. Her proposal calls for the Milwaukee County Department of Health and Human Services to coordinate with the City of Milwaukee on the pilot program. The City's Health Department would be responsible for administering the program, and the County would be responsible

for funding the program and marketing it to eligible women.

“Our pilot program to provide doulas to 100 mothers will empower women, improve maternal health, and give more babies in Milwaukee a strong start for healthy lives,” said Dimitrijevic.

Last week, during World Doula Week, the Milwaukee Common Council voted to direct the City Health Department to develop the joint pilot program with Milwaukee County. Alderman Khalif Rainey sponsored a Common Council resolution to establish the pilot program.

Governor Evers included \$618,700 to fund doula training and services in his 2019-21 budget. More coverage of this initiative is available in the [Journal-Sentinel here](#) and [Wisconsin Public Radio here](#).

On April 2, Mayor Barrett signed the Common Council resolution in 53206 in the presence of Supervisor Dimitrijevic and health, faith, and community leaders, doulas, mothers, city supporters, Alderman Khalif Rainey, Alderwoman Milele Cogg, and Health Department Director Jeannette Kowalik. News coverage of the event and speakers is available [here](#).

MCTS announces Brewers Line for Fans Heading to Miller Park

Fans hoping for a repeat of last year's exciting World Series push can count on the Milwaukee County Transit System (MCTS) for safe, fast and affordable bus rides to and from Miller Park.

The [Brewers Line](#) will serve every home game this season starting with Opening Day on March 28 and, hopefully, operate late into the fall for the playoffs!

The route has 20 stops along Water Street, Cathedral Square and Wisconsin Avenue. Each sign has a baseball sticker to indicate that the Brewers Line stops there. Buses drop passengers off at the MCTS transit area — just steps from the Home Plate Gate.

Adults pay only \$2.00 with the Ride MCTS app and M•CARD or \$2.25 cash each way. Kids 6 to 11 and seniors 65 and over are \$1.10.

“Skip the traffic gridlock, premium parking rates and surge pricing,” said MCTS Managing Director Dan Boehm. “The Brewers Line is a guaranteed home run for anyone wanting to relax and enjoy their day cheering on the Crew.”

Brewers Line buses run approximately every 30 minutes starting two hours before game time. Return trip service from Miller Park operates for 30 minutes after the game is finished. Fans can use the [Ride MCTS app](#) to buy a ticket and track their bus in real-time.

Not able to catch the Brewers Line? The GoldLine, BlueLine and Route 23 all offer stops within walking distance of the ballpark.

MCTS is also showing off its hometown team pride by honoring MVP Christian Yelich. From now until the end of the 2019 baseball season, Route 22 will be known as the Yelich Line! Route 22 was picked because 22 is the star outfielder's uniform number. Yelich himself is in on the fun, [tweeting](#), “Let's ride in style!”
